## MUSIC DESIGNS/INVENTIONS

---

**The Clapstack®** – Istanbul Agop Clap Stack is one of the most impactful new instruments in drumming. A uniquely shaped and tempered trio of cymbals designed to create a tactile, acoustic reproduction of analog 8-bit handclap samples that have been an integral part of music for generations. Decay can be adjusted by loosening or tightening your cymbal felts and wing nuts. Designed with Agop artist, Trevor Lawrence, Jr.

## PODCASTS

---

**TL Squared Podcast** – Trevor Lawrence and Thomas Lang

Trevor Lawrence Jr and Thomas Lang (TL2) are old friends and have a lot in common: Both are successful professional drummers based in Los Angeles, both are composers, writers, producers, session musicians, solo-artists, fathers, creative minds, and curious humans. This is a pretty good starting point for interesting conversations that are relevant to all musicians and creative minds.

**The TrevBeats Show (YouTube Channel)** - Hosted by Grammy-winning drummer and producer Trevor Lawrence Jr., this channel delivers expert music insights, production tips, gear demos, and cultural commentary, blending professional expertise with engaging storytelling for a global audience.
